Lorena,

No, the State Enterprise Zone programs were discontinued by the Governor a number of years ago. That being said, Adrian Veliz is the Harbor Area representative for the City's Economic Workforce & Development Department (EWDD). EWDD offers a variety of business and financial assistance services.

Adrian, can you also connect with Lorena Parker. She's the new Executive Director for the Historic Waterfront San Pedro BID.

Thanks,

David,

I guess we still have information regarding Enterprise Zones on our website. I want to confirm that they are no longer offering them before I have them removed from our website.
